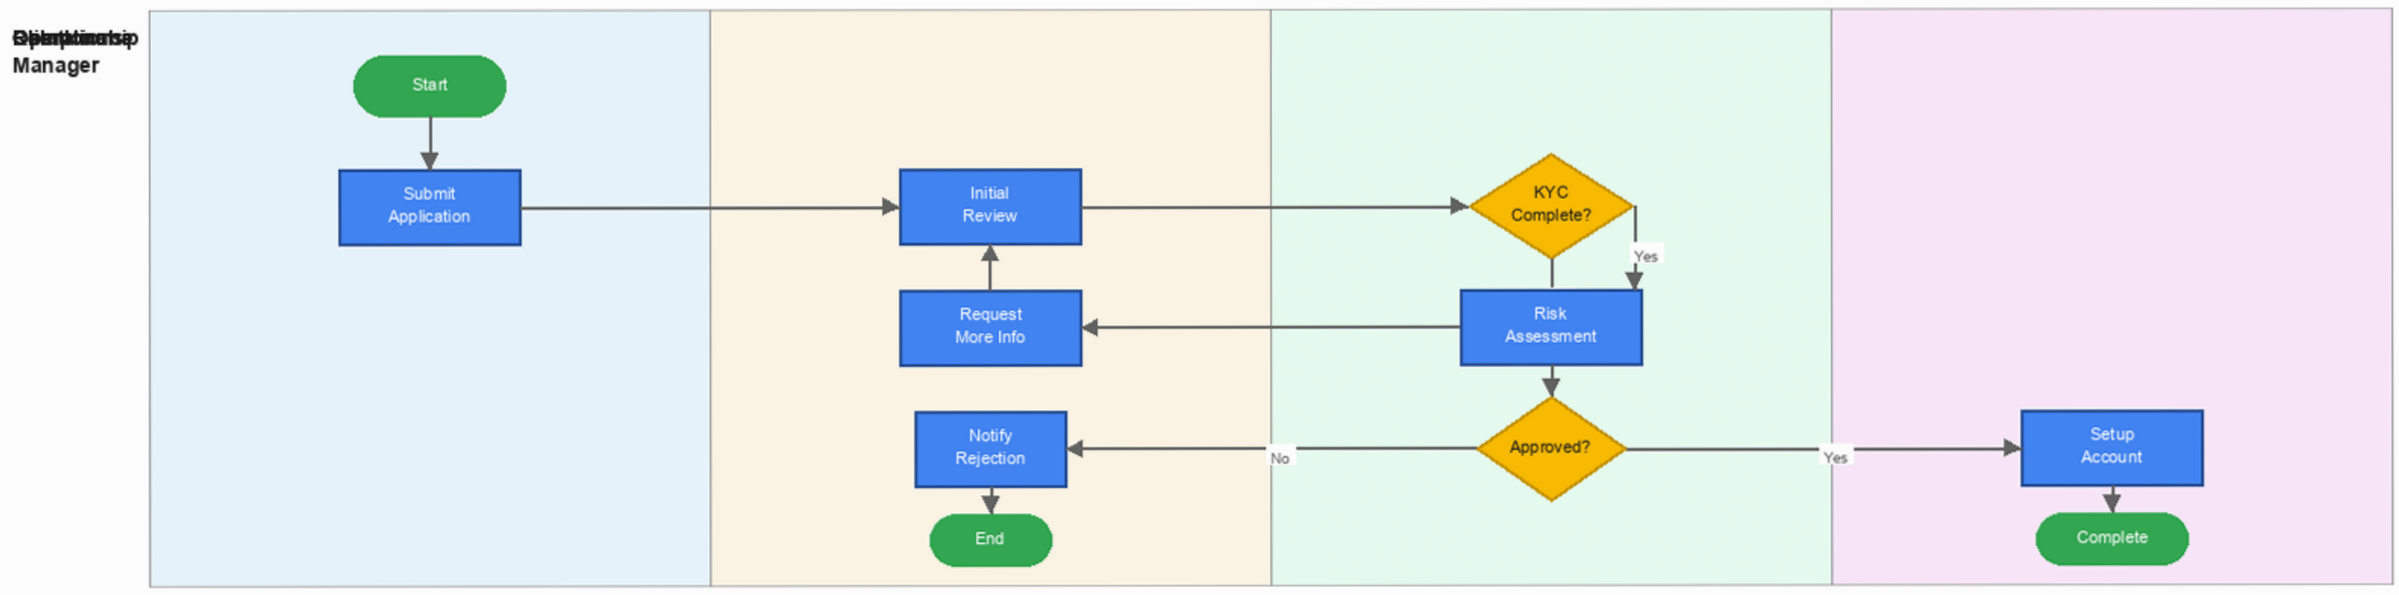
Client Onboarding Procedure

Document ID: PROC-ONB-001
Version: 3.2
Effective: 2024-01-15

INTERNAL USE ONLY - DO NOT DISTRIBUTE

1. Process Flow Overview



2. Procedure Details

Detailed Procedure Steps

1. Client Submission

1.1 Client completes Form CL-001 (Client Information Form)
1.2 Required documents: Government ID, Proof of Address, Source of Funds
1.3 Submit via secure portal or in-branch with RM assistance

2. Initial Review (RM)

2.1 Verify form completeness within 1 business day
2.2 Check document validity and legibility
2.3 If incomplete, request additional information via Form CL-002
Note: Maximum 2 follow-up requests before escalation

3. KYC/AML Compliance Check

3.1 Run automated screening against sanctions lists (OFAC, UN, EU)
3.2 Perform Enhanced Due Diligence (EDD) if risk score > 70
3.3 Document all findings in compliance system (Ref: POL-AML-003)
3.4 Escalate PEP matches to Compliance Manager immediately

4. Risk Assessment & Approval

4.1 Calculate client risk rating per Risk Matrix (Appendix B)
4.2 Low/Medium risk: RM approval sufficient
4.3 High risk: Requires Compliance Manager sign-off
4.4 Record decision with rationale in audit trail

5. Account Setup (Operations)

5.1 Create client profile in core banking system
5.2 Generate account numbers and credentials
5.3 Send welcome package within 2 business days
5.4 Schedule 30-day follow-up call with RM

WARNING

Do NOT proceed with account opening if:
- Client refuses to provide required documents
- Sanctions screening returns positive match
- Source of funds cannot be verified
