Technical Research Notes

Equations

- $E = mc^2$
- $\int_{0}^{1} x^2 \, dx = 1/3$
- $\Sigma (\alpha + \beta + \gamma) = \Delta$

Python Example

```
def fibonacci(n):
    if n <= 1:
        return n
    return fibonacci(n-1) + fibonacci(n-2)
```

Multilingual Notes

- English: The pipeline orchestrates OCR across multi-page documents.
- Français: Le système conserve la structure et les caractères accentués.
- □□□: □□□□□□□□□□□□□□□□
- العربية: العربية نظام بسيط لمعالجة النص.
